4TROOPS

Foxwoods Resort Casino ~ Fox Theatre

Date Change: Wednesday, November 4, 2015

Come out and show your American Pride while we celebrate our troops past and present with the music of the **4TROOPS**. They are a new, powerful vocal group comprised of four seasoned singers who are also United States combat veterans who served on the front lines in Iraq and Afghanistan: **Former CPT Meredith Melcher, Former SGT Daniel Jens, SSG (Ret.) Ron Henry and Former SGT David Clemo**. The 4Troops were introduced to the world on "Good Morning America." ABC News' Bob Woodruff, who was severely wounded in Iraq and has promised lifelong support of the U.S. military that came to his rescue, learned while filming the segment, that Melcher helped set up the field hospital that saved his life. The group also appeared on "Fox & Friends" cable television morning show. 4TROOPS' goal is to sing on behalf of everyone affiliated with the military to honor their sacrifices and help raise awareness of their needs, according to the artists.
